or cleaning house with ordinary soap is like rolling a heavy stones up hill; it takes main strongth and agood deal of it. The same. work done with Pearline is like rolling the stone down hill-it's easy; quick; true; with very little labor.

All dirt must go before PEARLINE. It robs woman's hardest work of its drudgery (a praiseworthy theft, by the way). The question is-does it of coes it not nurt the hands, clothes or paint? We sell you it don't -but we are interested (as well as you)-so ask your friends who use it; you'll find most of them

do: the annual consumption is equal to about three packages a year for every family in the land. But better yet get a package (it costs but a few pennies, and every grocer keeps it) land my it for yourself-your gain will be larger than ours.
